Welcome to Inntopia

1

Get to Know Inntopia.RMS

The RMS is your Inntopia extranet. Create products, add photos and descriptions, load rates and availability, view your commission statements, and run reports here.

2

Connect Your PMS/Channel Manager to Inntopia

Inntopia interfaces with many PMS and Channel Managers so you won't have to load your inventory or reservations manually in Inntopia. Ask the Support team if your system is one of them!
