

**May 15-18th 2017
Stowe, Vermont**

Sponsorship Opportunities

The conference will focus on bringing together our partners, from all parts of their organizations, to share information about world and market trends that affect our business. We will also review Inntopia's products and features, and through breakout sessions and round table conversations, share and converse about how we can best prepare to adapt Inntopia's solutions to collectively achieve increased efficiencies and revenues.

Sponsorship offers your company numerous opportunities for networking and excellent exposure to potential clients. Attendees are expected from premiere vacation destinations in the U.S and Canada.
